FOR IMMEDIATE RELEASE

Cemetery Walk Yields Great Success

Westphalia, MICH – Over 200 participants visited St. Mary's Cemetery in Westphalia Sunday, September xx for the Westphalia Historical Society's first ever Cemetery Walk. Docents guided small groups to six grave markers where actors portraying John and Elisabeth Hanses, Barbara Heinlein, Hayes, Dr. Bruno Cook, Joseph Snitgen, and Mathias Weber waited to share their stories.

Despite the on and off rain and this being a brand new event, the community came out in huge support, showing interest in their past. After the presentations were over, guests stayed for cookies, donuts, and cider. It was a successful community event, and one that the historical society plans to do again next year.

Information about each of these historical figures can be found on the website:
