### Saint Nick Rings In Opening of Westphalia Historical Society

Westphalia, MICH – German Christmas celebrations historically began December 6 with the arrival of St. Nick. Embracing its German roots, the Westphalia Historical Society's Grand Opening of its museum is Saturday, December 6, with a German Christmas. The newly renovated building at 120 Main Street will be open to the public, commencing with a ribbon cutting at 10:00 a.m., and closing at 2:00 p.m. Guests will be treated to the first exhibit of the museum, cookies, and community spirit.

This is a vision come true for Westphalia historians, lovers of local history, and for all the people who generously gave their time and donations to help renovate the building.

The historical society plans to be open several times a week, allowing guests to explore local history. It will change exhibits throughout the year, and books, t-shirts, and other small items will be available for purchase.
